

# Metals on Demand

With two onsite foundries, Cla-Val is able to provide you with the metals and alloys you need in a timeframe that meets your project requirements.

Here are just a few of the advantages Cla-Val's onsite foundries provide you.

- Able to pour 55 different metals and alloys
- No minimum or maximum orders required... no order is too small, large or special for us to fulfill
- Onsite pattern shop with the capability of building custom molds for your unique requirements
- Ready to respond quickly to immediate needs...no need to go "offshore" for your special order
- Backed by nearly 80 years of industry and manufacturing experience
- Onsite laboratory able to provide certified material test reports, complete metallurgical reports, and a full range of testing including yield strength and elongation tests

## Sample of Available Materials

• ASTM A536-65 Ductile Iron	• Monel QQ-N-288 Comp B
• ASTM B148 Alloy C95800 Ni. Alum. Bronze	• ASTM A216 WCB Cast Steel
• Stainless Steel ASTM A743-CF-16Fa	• ASTM B61 Naval Bronze
• UNS S31254 Super Austenitic Stainless Steel	• UNS S32760 Duplex Stainless Steel
• UNS J93404 Super Duplex Stainless Steel	• ASTM A-743 GR CF 8M 316 SS

*The finest quality metals and alloys poured with pride in the USA.*
